BIS families!

We are excited to share that Picture Day is coming! Wednesday, March 17th is the scheduled date for 5th grade students. Wednesday, March 24th is the scheduled date for 6th grade students and any 5th graders that missed the first date. In-person students will be photographed during the school day. Our virtual students will be photographed following dismissal, from 3pm until 4:30pm on either the 17th or the 24th. Parents/Guardians may park in the faculty lot and students may enter through the gymnasium door.

Picture Day may look a bit different this year. The safety of our students and staff is the priority for everyone. Lifetouch has implemented Picture Day safety protocols with that in mind. Photographers will have sanitation kits to clean camera stations and equipment. Students and staff will be wearing their face coverings. Students may remove their mask only during their individual session to capture their image. New poses and social distancing requirements will be imposed for further safety measures. Electronic check-in will also be implemented to limit interaction and improve efficiency.

For a completely hands-free school picture day experience, student pictures can be ordered **before** Picture Day on *mylifetouch.com* with the Picture Day ID: **EVT4RJFK4**. If you do not feel comfortable having your child's picture taken at school, you may email a photograph of the student to Mrs. Nichols, snnichols@worcesterk12.org. Please use a light colored, solid background for the picture. Thank you!
